

ARETE

A RIDGED TAKE ON ACOUSTICS

Arete brings texture and dimension to your space. The precise nature of each ridge adds contrast, revealing confidence and an innovative spirit, while also reducing unwanted noise and echo within the workspace.

Available in suggested colorways or any combination of 30 colors and textures. Arete is offered in a standard module dimension, with custom sizes also available.

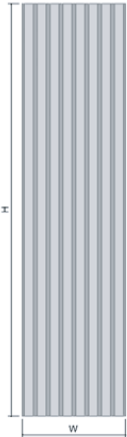

Standard Arete Panel:

24" x 96" x 2"

Custom sizes also available

TECHNICAL SPECIFICATIONS

Absorption

Average NRC 0.85.
(subject to thickness and mounting conditions)

Material

100% polyester fiber acoustic felt.

Eco-Friendly

Yes! 60% recycled PET materials, 40% new material, non-toxic, non-allergenic, non-irritant, no coatings or sprays which degrade over time.

Fire Rating

ASTM E84 Class A Fire Spread rating is permanently achieved by infusing 40% new material into the panel. MPS never uses sprays or coatings that degrade and lose their rating status.
